SEPTEMBER 2018

“Forward from Forty: Growing our Future” is the theme of our Fortieth Anniversary and our stewardship campaign. In this 40<sup>th</sup> year of Living Saviour’s life we look with respect on our history and look with excitement to our future; honoring where we have been and seeking what God has in store in the future.

We are “making much” if you will of our 40<sup>th</sup> anniversary because the number 40 is a unique one in our scriptures, used some 159 times, and in its original ancient language had the sense of “as long as it takes” which was translated to 40—Noah’s 40 days of rain; Moses’ 40 years of wilderness wanderings; Jesus’ 40 days of wilderness temptations; Jonah’s proclamation to Nineveh in which God gave them 40 days to repent; Goliath taunted the Israelite army 40 days; the season of Lent is 40 days (not counting Sundays). Forty is a number of judgement, of waiting, of significance. So in this 40<sup>th</sup> year as a faith community, we want to honor our past, and seek God’s future as Living Saviour Lutheran Church, a uniquely planted community of faith, on this piece of ground in the city of Charlotte, retaining the best of our faith tradition while seeking new pathways to share the faith and gospel with the generations to come.

We are having a single Unity worship service on Sunday October 7, 2018, at 10:00 a.m. a full traditional celebration of our Lutheran heritage, with Bishop Tim Smith preaching, and our former pastors in attendance. A catered lunch (reservations only, see the website/newsletter/mailed invitation) follows. It is promising to be an exciting day, and we hope you will join us.

As we move “Forward from Forty” and continue to look at what it means to “Grow our Future” we are planning another exciting event, a first for Living Saviour’s recent memory, a faith-filled, fellowship, learning retreat. This October 19-23 SHIFT weekend, will help us honor our past, look at who we are now, and how the culture is shifting from Christ-centered, to less Christian, “spiritual but not religious” and less trusting of institutions such as Church. What is God calling us to be and to do in the midst of such huge cultural shifts? Come and find out, see what part of God’s dream you can do, learn how we are able to tap into the great need the community around us has for Christ and grow God’s kingdom.

We will follow up the SHIFT weekend with a team who will work to discern God’s dream and distill it into a strategic plan, crafting mission and vision statements, and sharing this with the congregation. You will then be part of the vibrant community of faith that implements these ideas and goals for our future growth.

It took vision and a sense of mission to plant Living Saviour Lutheran Church forty years ago. It continues to take a vision and sense of mission to continue on, seeking out those who do not know, searching for those who need what God offers through this congregation, working to be people deployed to be Church in the world.

I hope you will join in and participate, no matter how long or how short you have been connected to Living Saviour, you are this Church, you are important to God, to me, to the community of faith.

Love in Christ,

Pastor Angela

## Christian Education

When I was a young girl, then young woman, young mother, I went to church at St. Timothy's Lutheran Church in Camden, SC. My parents had forsaken church in lieu of lazy Sunday mornings by the time I was a teenager, but at church, I had people who cared about me, who wanted to see me grow as a Christian. Two very special people were Colonel and Marylou T. I had other mentors in the church, too- my pastors, my relatives, and friends of the family who were sure I made it to church every Sunday. Without all of them, I would have been lost. With them, I had the solid Christian foundation we all strive to give to our children and grandchildren.

Those building blocks are not possible without our – Living Saviour's-dedication to our children and youth. We have Sunday School classes for all ages, yet we continue to *need* substitutes to help out when a teacher has an unexpected or planned absence. We *need* teachers for GIFT- 2 or more- to teach our youngest.

We *need* dreamers (I dream of a youth pastor, a van for the youth) who can imagine *all* of the possibilities for Christian Education, then name them, and embrace them!

We *need* you.

Pat Snodgrass, Christian Education Council representative

Proverbs 22:6: *Train a child in the way he should go, and when he is old, he will not turn from it.*

## Living Saviour Lutheran Preschool

The Preschool is off to a great start!! We do still have a few spots available so please tell your family and friends!! The Preschool is excited to be collecting NEW stuffed animals and small blankets to give to our local police and firemen. The stuffed animals and blankets will be distributed by the police and firemen when they respond to a call where children are involved. If you would like to partner with the preschool, we will be collecting items through October 10. I will have a box in the church office where you can drop off the items. Thanks.

It is amazing what some imagination can create, and our preschool is ready to use it all!

And now, a few more tidbits about our church's history...

Don Huff, our wonderful Director of Worship and Music, has been on staff at LSLC since 1989!

Camp Vivace, our exciting summer music/theater camp for children, had its start in 1998.

Our preschool was started in 1982 as Tot's Day Out by member Linda Carestio.

The present upper level of the Education Building was originally designed and constructed to serve as the fellowship center of our church in 1984. It was one big open space and the existing short hallway between our present Fellowship Hall and the Ed Building was our galley kitchen! The fellowship area was remodeled in 1991 to its present configuration to accommodate more Sunday School classroom needs. And the tiny kitchen remained until our present Fellowship/ Classroom Building was constructed in 2003.

### 40<sup>th</sup> Anniversary Cookbook

With nearly 200 recipes, the 40<sup>th</sup> Anniversary cookbook is ready and will be officially on sale beginning on **Sunday, September 9.** Entitled NOT BY BREAD ALONE, more than 50 contributors submitted wonderful recipes. The cost will be \$10.00, and will be payable to WELCA. The cover photo was provided by Tom Chriske.

## PASSION PLAY, OBERAMMERGAU, GERMANY 2020

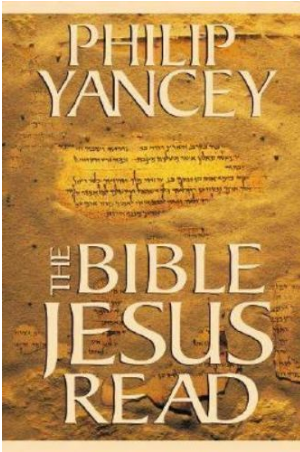

The world-famous **Passion Play** is performed by the people of the picturesque town of Oberammergau every ten years, and has been performed since the Middle Ages, when the town avoided death from the Plague and in response gave thanks to God and promised to perform this play. The next presentation of this moving event will be in 2020.

A group is being gathered of Living Saviour members and friends to make a trip to Germany September 1 - 12, 2020. If you are interested in the trip, please see **Pastor Angela or Barbara Avard**.

### WEDNESDAY MORNING BIBLE STUDY

It is September and time for Bible Study on Wednesday mornings, beginning **September 12, 10:00 a.m.**

We will study "The Bible Jesus Read," by Philip Yancey.

It is an 8 week session exploring parts of the Old Testament. Most people have a hard time reading and understanding the Old Testament. Philip Yancey states it is helpful to remember the Old Testament is God's living message to us consisting of truths he wants us to know about himself, about us, and about life. We will take a journey through scriptures that Jesus grew up on and that laid the foundation for everything He said or did.

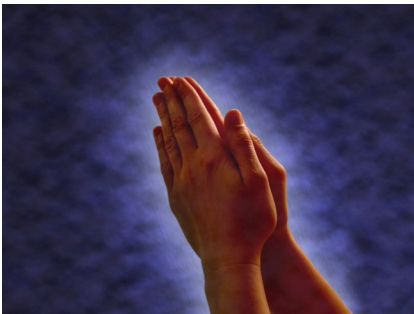

Join us every Wednesday or when you can. Each session is self contained. Everyone is WELCOME. Books have been ordered and will be available in the church office by September 5.

Blessings and Peace.

**Janet Mayer**

### PRAYING FOR POSSIBILITIES

Our Mission is to Grow God's kingdom through the power of prayer. We pray for the possibilities that can happen in and of our building; for all the people volunteering, working and participating here, activities for all, visitors and those that God gathers and the opportunities for witnessing. Ideally, we walk the property to pray for the possibilities that can happen in each place. If you cannot walk it or be there with us, we have made booklets with pictures for you to use. So, please join us! For more information, contact [glendakilminster@gmail.com](mailto:glendakilminster@gmail.com).

"I want to thank all my friends – and I do mean all – for the many cards, calls, and text messages I received during a very difficult time. It meant so much to me. The love you all have shown Harry before his passing was beyond compare and meant so much to him. He felt the love for all that helped in the kitchen the day of his memorial service.

Thank you so much for being there - Bless you all. This is what makes LSLC – the caring for one another, especially in times of need.

Your thoughtfulness meant so much to me and I want you to know I truly appreciate it. You all are so loved.

Thank you.

## PRAY FOR ME CAMPAIGN

One of the most amazing aspects of the God's Work Our Hands weekend of service was the way kids, youth, and adults of all ages worked together to serve our neighbors. It reminds me that in our world, where grandparents often live 1000's of miles away, where we are often age segregated and have few opportunities to interact with other generations, the church is one place that can do something to create community.

It is Church where worship and service bring together the generations, so that learning what it is to be a disciple, passing on the faith and faith traditions happen naturally. Recognizing that our world and our church can make a difference in the lives of the generations, a new project is happening this fall!

**You are invited to develop a prayer relationship with a child or youth of this congregation. All generations needed, no one is too old or too young to participate.**

This relationship will be guided, and will be important in linking different generations in our church can reclaim God's intent for faith to be shared as a community. It can also help affirm each child's place and value in our community. Establishing a relationship with fellow church members can help our children and youth foster a foundation of support for each other's concerns, interests, and activities which can allow us to engage in faith sharing, and prayer across the generations. Praying across generations provides a way for our children and youth to experience how we can care for one another, and provides a way in which we can pass on our traditions of family and faith, and establish relationships with our children and youth.

Partnering with an adult who is not a parent promotes establishing role models within the church, encourages our youth to value older adults, and promote understanding for individuals in all stages and ages of life. The regularity of daily prayer can help us all to develop greater faith for all generations.

To participate, sign up on the kiosk, email Kristen Alford Haigler (Karter's mom). Be on the look out during September for details. Kids, youth, adults, all needed to sign up. As we celebrate "we also look to "Grow our Future." You are part of that history, you are part of the now, and you are part of our future.

## CONTRIBUTIONS FOR THOSE OVER 70 YEARS OF AGE

Have you or your loved ones aged 70 1/2 contributed to IRAs and 401Ks? Money withdrawn is subject to income tax when you take withdrawals in retirement. Annual withdrawals from traditional retirement accounts are required after age 70 1/2, and the penalty for skipping a required minimum distribution is 50 percent of the amount that should have been withdrawn. However, if you don't need all the money for living expenses and wish to, you can avoid income tax on your required withdrawal by donating your money directly to a qualifying charity. You can donate part of your required distribution to charity and withdraw the rest of it as retirement income as long as you meet the minimum distribution requirement by the end of the calendar year. You don't have to donate the full distribution, but can directly distribute to multiple charities. Check with your financial advisor for the full details.

## LIVING SAVIOUR RENEWAL RETREAT WEEKEND: OCTOBER 19-21: AN OPPORTUNITY TO GROW, LEARN AND CELEBRATE AS A CONGREGATION

As part of Living Saviour's 40<sup>th</sup> Anniversary Celebration, the Living Saviour Council has engaged Reverend Mark Tidsworth to lead us in a weekend renewal program on October 19-21. We rejoice that God called us together 40 years ago to form a church in this part of Charlotte! Now we look forward to what God is calling us to do in the future. What are the opportunities we can be a part of as the neighborhood around us redevelops? How will we share the message of God's love in a changing community?

On October 19 – 21, we are offering a "Making the Shift Weekend". Everyone is invited to participate. This weekend will accomplish several objectives:

Spiritual Formation – Enliven and grow your faith through this Renewal Weekend

Congregational Connection – Strengthen relationships with others in the congregation

Raise Awareness – Learn about our Postmodern context and hopeful, life-giving movements rising up in the Church

Positioning Our Congregation – Ready ourselves for being a 21<sup>st</sup> century congregation

Vision Preparation – Ready ourselves to more clearly discern God's calling for our church

The retreat weekend will take place Friday evening, Saturday, and Sunday morning at Living Saviour. Please save the dates and plan to be a part of this weekend of renewal!

## STEWARDSHIP OF OUR CHURCH

*At all times there must be and remain one holy, Christian church. It is the assembly of all believers among whom the gospel is purely preached and the holy sacraments are administered according to the gospel.*

### Augsburg Confession, Article VII

Steward-discipleship means taking care of all that God has blessed us with. We think of our health, our relationships and our money, but our church? You bet!

The church the only organization whose *primary purpose* is to bring people into intimate relationship with God and also gather them as sacred community. Without church, how would people grow in faith? How would the Gospel be spread to all nations, as Jesus commands in Matthew 28:19, 20?

So what does it mean to be a good steward of our church? Here are some ideas:

**Focus:** We are dedicated to God's Word and Sacrament as the means by which God's grace is poured into us and out to the world. Our service projects and social events may flow from this, but they are secondary.

**Community:** As the Augsburg Confession (above) declares, the church is the community of God's people dedicated to Word and Sacrament. We build strong community through healthy relationships guided by principles of Christian love, trust, honesty, truth, forbearance, forgiveness.

**Building:** Our building is NOT the church, but a tool of the church for ministry. We provide the resources to maintain our building as useful for the Gospel, but feel free to move on if it no longer serves.

**Resources:** Understanding that ministry to God's people takes resources, we give generously of our time and talents. We strive to give a tithe – 10 percent of our financial blessings.

**Faith formation:** It takes learning and practice to grow closer to God, both as individuals and community. We support and participate in studying the Bible and theology. We promote and engage in spiritual practices that feed our souls.

Although we tend to think that our church has a mission, it's more accurate to say that God has a mission, and that mission has a church. We grow in faith as people and community when we dedicate ourselves to good stewardship of our church.
