Forward From Forty: Growing the Future

Forty years of worshipping, serving, reaching out, teaching, baptizing, confirming, marrying, burying; forty years of being a congregation of Christ followers; of doing what we have always done, to the best of our ability. Yet, with the shifting in the American culture, the steady decline in trust of church and the lessening need for “church” it means that congregations are facing changes and questions. “Where do we go from here? Is there something more? Something new? Some way to take the tradition of our heritage and use it to grow God’s kingdom? What exactly does growing God’s kingdom mean? How would we even begin to know God’s hopes and dreams?”

These and other questions are what prompted the council to invite Reverend Mark Tidsworth of Pinnacle Leadership Associates to Living Saviour to lead the SHIFT weekend retreat. We are sorry if you had to miss it, and excited to say 60 came on Friday night and 50+ came on Saturday, where we enjoyed fellowship, learning, and conversation as we learned about how congregations are working to remain vibrant, thriving, and growing in the 21st century.

Congregations which learn to make the SHIFT from modern to post-modern ways have a higher rate, not of survival, but of growing God’s kingdom, creating disciples who live and love as Jesus did, and who are willing to live out of this love for the sake of the world. Congregations willing to explore the future discover God’s dreams, and hopes for the world and how they can participate.

Five hundred-one years ago Martin Luther began working to reform the church, not create a new one. These 501 years have seen many changes in the structures of church, but not in the good news of God’s love made real in Jesus Christ. We continue in this tradition of reform, seeking to use new ways to grow God’s kingdom of love, create disciples who love God and one another, and who gather to worship God, so that they are renewed to go and serve God’s world.

Our vision statement, “A community of disciples in service to the Living Savior” sets a course for Living Saviour. How can you be part of this community? Where do you learn what being a disciple of Jesus means? Where do you serve our Living Savior? Come and be part of growing the future as we move forward from forty, in Christ, with Christ, forever.

Love in Christ,

Pastor Angela

If you are interested in helping coordinate decorating and food for the reception following the concert, please contact Shallen Gordon at Shallen@GordonFamily.com

A generous giver has donated two lovely crocheted coverlets to be used at the Craft Bazaar to raise funds. We feel the best way to utilize this beautiful offering is to sell them by silent auction and use the proceeds to benefit one of the Craft Bazaar's beneficiaries - Lutheroad. Lutheroad is a week-long day camp staffed by Lutheridge. It is scheduled to be held here at Living Saviour in June of 2019 and will be open to LSLC youngsters as well as being open to the community. The coverlets are on display near the Fellowship Hall, opening bids start at \$25 and bids are to increase by \$5 increments. The auction started on October 28 and will conclude this Sunday, November 4.

FOCUS ON STEWARDSHIP: DECIDING TO BECOME DISCIPLES AND GIVING SACRIFICIALLY

Little was ever accomplished without sacrifice. This is true in our homes, our work, our church, our country. Jesus says in Matthew 6.21 that "where your treasure is, there will be your heart also. As we approach our stewardship drive this year, perhaps we can focus a bit more on where we want our heart. If it is here in this congregation, then we need to look at how we can become disciples. We can give a bit more sacrificially....and joyfully.

And so it is with the Christian life and faith. Our salvation cost God the cross. Dietrich Bonhoeffer, a Lutheran Minister and Theologian was imprisoned by the Nazis in 1943 for his resistance work and later was hung by them during the last days of World War II, wrote in "The Cost of Discipleship" there is no cheap grace.

Studies have shown that often, church giving is only token giving, averaging about two percent of income. We have given only what we could easily afford, what we would not really miss. Experience has shown that giving, to be meaningful and joyful, has to be sacrificial! Each will have to determine what amount or percentage is sacrificial for his or her circumstances. But experience again suggests that for most people sacrificial giving begins at five percent of income with proportions under five percent falling into the token giving category.

Art Lange, Congregation Council Representative for Stewardship and Finance

GOD'S HOPES AND DREAMS AND SMALL GROUP MINISTRY

God's hopes and dreams for the world. God has hopes and dreams for this world, our world, for you and me in it! God wants us to discover how we are to participate in those hopes and dreams. We will use small group ministry to learn about these hopes and dreams and how we can be part of God's dreams.

Small groups are places where you are known and get to know others in the congregation, in a deeper and more intentional way. Small groups are where you gather to study and share life for a set amount of time. Small groups are where we can begin creating a more vibrant, life-giving, and Kingdom-growing congregation, who are seeking God's hopes and dreams. These small groups will be using "Making the Shift Field Guide" as their study material.

Small groups will be forming in the coming months to gather, grow, and learn more about the 3 Big Shifts, or moves in the 21st century church. We are seeking those who would like to host in their homes, or at church, as well as those who would like to facilitate a group. We hope to have groups meeting in the daytime, in the evenings, and on weekends. We hope to find ways for families with children to participate, and for all of us to grow in our sense of discipleship as we move Forward from Forty into God's future.

PRAYING FOR POSSIBILITIES

Our Mission is to Grow God's kingdom through the power of prayer. We pray for the possibilities that can happen in and of our building; for all the people volunteering, working and participating here, activities for all, visitors and those that God gathers and the opportunities for witnessing. Ideally, we walk the property to pray for the possibilities that can happen in each place. If you cannot walk it or be there with us, we have made booklets with pictures for you to use. So, please join us! For more information, contact glendakilminster@gmail.com.

Thank you!

Many thanks to everyone who attended
our 40th Anniversary Celebration on October 7 to share
and enjoy memories as we looked back through 40 years as a congregation.
It was a fun day filled with special guests,
worship, food and fellowship!

Special events happen only with the help of many, it truly does take a village! Gathering historical information and researching restaurants, preparing both the inside and outside of the facility, from finalizing the worship and music to preparing the slide show and baking cookies, each project is essential to the final event, yet, all the "normal" activities continue – greeters, ushers, communion servers, acolytes, altar guild and our amazing choir.

A note of thanks goes to everyone who worked on the celebration, many on multiple committees.
Some jobs were big, some were small, but each contributed to the fun and fellowship of the day.

Thank you all, God bless each of you!!!

CHRISTMAS STOCKING MINISTRY IS NOW THE SHARE THE LOVE MINISTRY

PAST: For 10+ years, LSLC has assisted the Salvation Army in filling Christmas stockings for homeless kids at the Center of Hope shelter, as well as low income kids throughout Charlotte.

FUTURE: The Salvation Army is now appealing to churches to provide for the immediate, critical needs of the homeless children instead of filling Christmas stockings. (Salvation Army will still provide Christmas cheer for the kids.) This step is necessary because funding to the Center of Hope homeless shelter has just been drastically cut as the United Way has decided to divert its funding to other community needs.

THEREFORE, WE WILL NOT BE FILLING CHRISTMAS STOCKINGS THIS YEAR.

INSTEAD, WE WILL BE RESPONDING TO THIS URGENT NEED BY HOLDING A **SHARE THE LOVE** EVENT NEXT YEAR. It will be great fun for all ages as we collect designated items in January and February, culminating in a **VALENTINE'S BREAKFAST PARTY ON FEBRUARY 10th!** Watch the InnerNet and church bulletins in the coming months for details and a list of items the shelter needs.

**THANK YOU FOR YOUR GENEROSITY AS WE WORK
TO FILL LITTLE STOCKINGS INSTEAD OF BIG ONES NEXT YEAR!**

PASSION PLAY, OBERAMMERGAU, GERMANY 2020

The world-famous **Passion Play** is performed by the people of the picturesque town of Oberammergau every ten years, and has been performed since the Middle Ages, when the town avoided death from the Plague and in response gave thanks to God and promised to perform this play. The next presentation of this moving event will be in 2020.

A group is being gathered of Living Saviour members and friends to make a trip to Germany September 1 - 12, 2020. If you are interested in the trip, please see **Pastor Angela or Barbara Avard.**

RECRUITS FOR CARMEL PLACE WORSHIP SERVICE NEEDED

As part of our outreach to the community, disciples of Living Saviour lead a service at Carmel Place retirement home, not far from our church, each Sunday at 9:30 a.m. The service lasts for 30 to 45 minutes and includes singing of hymns, readings of the week, a short meditation, and communion at the end of the service. Musical accompaniment is provided by our piano players from the church and from Carmel Place. We have a rotation of seven leaders but very soon we will lose two and we are looking for some replacements from our church community.

If you are interested in fellowship with a small group of residents who look forward to their 9:30 service, please contact **Ray Kilminster 704-364-4977.**

An orientation session will be held for those interested so that you will be fully equipped to lead a service.
