AUGUST 2019

Helen Keller was born in 1880, a healthy beautiful child, who contracted a fever and lost her ability to hear and see. She became a difficult child, and at age 7, Anne Sullivan was hired to be her companion and teacher. Anne tried many different techniques to communicate with Helen, and it was finally water, gushing from a pump over Helen's hands while Anne spelled into her palms the word "water" that broke through the wall of silence and frustration. Water, cool liquid flowing over Helen's hands, W-A-T-E-R spelled out by touch, and a breakthrough!

From that moment on, Helen and Anne formed a team, teacher and pupil, friends for life; Helen became an ambassador of good will, author, activist, and lecturer. Her life began with that unpretentious moment and W-A-T-E-R.

While we may not have had a breakthrough with WATER as Helen did, water is new life for us. It forms us, from God through water comes our salvation and our membership into the body of Christ. Water, baptismal water, from font, river or pool, begins our relationship with Christ, as we die to our old self, and rise to new life with Christ, experience the in-flowing power of the Holy Spirit, and are marked and sealed at Christ's for all time.

In the Lutheran life, the baptismal moment is a covenant, between God who chooses us, the one being baptized (or those who say yes on their behalf), and the gathered people of God, most often a congregation. Baptism offers us Five Gifts: Life among God's faithful people; Hear the Word of God and share in the Lord's Supper; Proclaim the good news of God in word and deed; Serve all people following the example of Jesus; Strive for justice and peace in all the earth. As we go through our lives we are shaped and formed as God's people by these gifts, the community around us, and the God who loves us so very deeply.

We live this life each day, as we do those things which connect us to God, each other and the world. We pray meal time prayers, we offer thanks to God for something in each day, we work for justice when we see injustice, we forgive and seek forgiveness, we act in ways which tell the world we love, are loved, and spread love. Each week we have an opportunity to share in Holy Communion and God's word, as well as share learning, coffee, conversation with each other.

On Sunday August 25, 2019, we will have a **unity service, at 1030 a.m.** where we will welcome two children into the community of faith, welcome new members, and celebrate the life of the baptized. Following our Unity worship, we will meet for an hour of service projects, as we actually live out our baptism, then gather for a light lunch and time of thanksgiving for all the projects completed and the joy of serving.

Mark your calendar, August 25 at 10:30 a.m. with this "Day of Walking Wet" when we worship, serve, remember our baptisms, and celebrate God's Spirit at work among us, as we welcome new members in Christ.

Special thanks to the directors, Glenda Kilminster and Don Huff, as well as all the youth and adult leaders with music, arts and crafts, outdoor activities, lunches, snacks, beverages, stage set up and audio/live screening, photography and registration throughout the week.

## SMITHFIELD ELEMENTARY PARTNERSHIP

### Thank You for Your Generosity at Breakfast in July

The generosity of our faith community was evident again at Breakfast in July on July 21. Filled with Lorene and Wayne Thom's delicious, sausage gravy, biscuits and grits, those present contributed \$1,690 toward our partner Smithfield Elementary School. Two of our families gave \$500 each!

"This is amazing and so appreciated! Our children, staff, and families are blessed to have Living Saviour in our lives!" Smithfield Elementary Principal Allison Plunkett wrote in an email after hearing the good news.

For the past two years, Living Saviour; the Smithfield PTA, led by Jenny Beacham; and the staff at the school have managed annual, \$5,000 grants provided by the Casey-Peeler Foundation, through our N.C. Synod. In the 2018-2019 school year, that money helped disadvantaged students and their families in a number of ways:

-- \$358.81 for 15 winter coats

-- \$500 for two scholarships to Camp Invention

-- \$3,213.32 for nourishing food that students take home on the weekends. This doesn't include the bags of groceries our disciples contribute to 10 to 12 Smithfield families over the long Thanksgiving and Easter breaks.

-- \$927.87 toward HeartMath fees. HeartMath is a tutoring program that is helping students who have fallen behind in their math skills. But it is expensive.

But the grant is limited to two years, and we are searching for ways to make up some of that money for the coming school year. That's why the response to the July breakfast is so important and so MEANINGFUL! We also hope to secure more funds from the church Endowment Fund, but our breakfast collection provides a wonderful beginning gift and blessing for our school family.

Money is not all we provide for Smithfield families and staff. Caren Ballantine has organized a Back-to-School appreciation luncheon for the staff for four years, and volunteers, led by Moss Hathcock, have provided hand-made, classroom-teaching materials for kindergarten and first-grade teachers. We still have disciples who are tutoring students and helping with their BINGO night fundraiser, end-of-the-year test proctoring, and field day (also at the end of the year).

A number of volunteers have felt themselves greatly blessed as they help students and staff. If you'd like to investigate tutoring or other volunteer activities for the coming year, contact Caren Ballantine, 704-552-6412, or Frank DeLoache, 704-245-2985.

Thank you for showing Christ's love to children and families that remain largely invisible in our city. PTA President Jenny Beacham put it this way: "WOW! The generosity of Living Saviour is such a blessing to Smithfield!"

Dear loving LSLC members,

Thank you so much for the food (dinner—prime rib, veggies and apple pie!), the calls, prayers and the cards. You are all truly my family! I know that my healing from surgery was and continues to be a more uneventful one because of your prayers.

Thank you again.

### STEWARDS STRENGTHENING CHARLOTTE

Living Saviour in so many ways is using the blessings we have been bestowed to minister to the Greater Charlotte Community. Those born in poverty in Charlotte have a 95% probability of remaining in poverty. The Charlotte Mecklenburg Police (CMPD) Chief and other Community leaders invited Clergy and Lay Leaders from all faiths to help create mutual understanding from different perspectives. The soaring crime rate cannot be solved by the Police. We are asked to pick a church or place of worship that is different than ours and to do something to build relationships and make a difference in Charlotte. He has acknowledged that there are a great number of positive programs run by local religious groups that support and feed Charlotte both spiritually and literally. It's something we should be discussing in the coming weeks as a Family of Faith. Perhaps during our Worship Services we can have a dialogue with Pastor Angela and ourselves.

### LSLC SUMMER SHELTER

During the third week of August, August 18-24, we will again have the privilege of sharing our air conditioning, food and restful sleep with 12 women and children from the Salvation Army Center of Hope. Good news! Most all of our

volunteer needs have been filled. All of the evening meals and bag lunches are covered. The only open slots are: Saturday overnight hosts; and drivers for Sunday, Wednesday, Friday and Saturday. Sign up sheets are on the table in the Fellowship hall. Questions?

Contact **Frank DeLoache** at **704-245-2875** or **Alice Jenkins** at **704-458-5411**.

**RESULTS FOR FISCAL YEAR ENDING JANUARY, 2020**

Below is a brief report for the Fiscal Year ending January 31, 2020; as of the end of June (which is our fifth month of the fiscal year). We had a net income of \$23,257, which is primarily the result of being over on contributions. In addition, we are under on expenses. Some of the expense variance, \$1,903, is associated with utilities, which is a good thing! Unfortunately, this is partially offset by an increase in insurance expense of \$1,350.

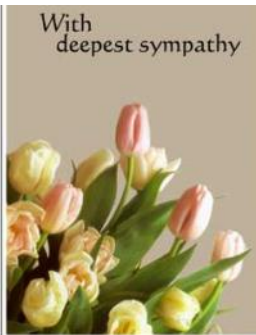

I have reviewed my updated projection of contribution income. There is no change from last month in which I concluded that we will have additional contribution income of about \$15,000 for the fiscal year. Our annual budget was prepared assuming we would have a (loss) of \$(9,692). So that means we will do better than break even.

<b>General Fund</b>	<b>Actual</b>	<b>Compared to Budget</b>
Contributions, etc.	\$185,103	\$13,851
Expenses	<u>161,846</u>	<u>(4,574)</u>
Net Income (loss)	\$ 23,257	\$18,425

Contributions to Forward from Forty include a contribution of \$20,000 from Preschool. Expenses were for the Canopy Education building, Drain installation, Fire Panel replacement and Telephone System Upgrade.

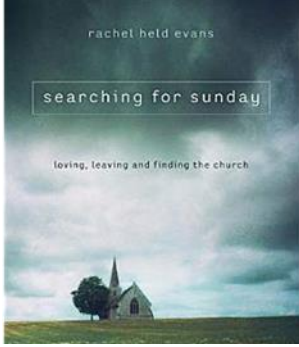

<b>Forward from Forty</b>	<b>Actual</b>
Transfers in (from Capital Reserves)	\$ 7,611
Income to date	62,126
Expenses to date	<u>(13,097)</u>
Balance at month end	\$ 56,640

**Jim Huddle, Treasurer**

**OUR CHRISTIAN SYMPATHY** is expressed to Polly and John Farris and family at the death of Polly's brother, Edward Boyd, on July 25, 2019 at CMC Atrium in Pineville, N.C. May God fill the emptiness left in their hearts by his passing, and may they remember that the Resurrection of Jesus Christ means the certain hope to eternal life for all who die with faith in Him.

### WEDNESDAY MORNING BIBLE STUDY

Thank you for responding to the survey. From the 5 selections you have chosen "Searching for Sunday," by Rachel Held Evans.

Starting in September we will explore this book - loving, leaving, and finding the church. Come and join in the thought provoking discussions. **EVERYONE IS WELCOME.**

The book can be purchased at Amazon for \$9.51 or at Barnes & Nobles for \$14.10 or call Sherry in the office and she will order the book for you.

Enjoy the rest of the summer.

Blessings,

### PRAYING FOR POSSIBILITIES

Our Mission is to Grow God's kingdom through the power of prayer. We pray for the possibilities that can happen in and of our building; for all the people volunteering, working and participating here, activities for all, visitors and those that God gathers and the opportunities for witnessing. Ideally, we walk the property to pray for the possibilities that can happen in each place. If you cannot walk it or be there with us, we have made booklets with pictures for you to use. So, please join us! For more information, contact [glendakilminster@gmail.com](mailto:glendakilminster@gmail.com).
