God's Work Our Hands 2021

We did it! Celebrate and Rejoice!

Even in a pandemic, we participated in the building up of God's kingdom of care for all creation. It is with gratitude in my heart that I thank all who helped create a wonderful event, participated Saturday Sept. 11, and who drove through.

We helped our community let go of things they no longer needed but didn't quite know what to with—bins full of eyeglasses, expired medications, as well as sensitive documents to be shredded.

Clean and sparkling cars left our parking lot as we washed and shined, and laughed and sprayed. A pick-up truck full of food was received to feed the hungry, what a gift of gracious sharing.

We gifted those who drove through with small American Flags and a prayer poem to remember 20 years of 9/11. We gave out masks, health ministry brochures, and brought smiles to the faces of those who came through.

We participated in our OUT relationships with the community of Living Saviour and the community around us; we built IN relationships as we had long conversations about life, as well as simply being together united in a common mission.

We pray.

God, we give you thanks and praise for the many gifts you have given us,. Thanks you for inviting us into your mission to build the kingdom of God by caring for the people and the planet your have given us. May our efforts be multiplied, and your love reach to those who need it. In the name of Jesus, your son, we pray. Amen.
