OUR CHRISTIAN SYMPATHY is now expressed to Glenn Stirewalt and family at the death of his 69-year-old daughter, Lori Worsman, who passed away from cancer on March 14th here in Charlotte. The memorial service for her was held at Stowe Memorial Garden, one of her favorite places, on March 30th. May God fill the emptiness left in their hearts by her passing, and may they always remember that Christ's Resurrection from the dead means the sure and certain hope to eternal life for all who live and die with trust and faith in him, as Lori did.

### **Honoring God's Creation This Earth Day**

This Earth Day, let's care for the beautiful world God has entrusted to us. The Earth Day 2025 theme is "Our Power, Our Planet," emphasizing the need to unite behind renewable energy and triple the global generation of clean electricity by 2030. Simple actions can make a big difference—consider planting a tree, reducing plastic waste, conserving water, or joining a local cleanup effort. As stewards of creation, we can also conserve energy, support sustainable businesses, and spend time in prayer, reflecting on how we can better protect our environment. By taking these small steps, we show gratitude for God's gifts and help ensure a healthier planet for future generations. Some events in Charlotte include:

- **Attend the Charlotte Earth Day Celebration** – Join the festivities on Saturday, April 12, 2025, at the Independent Picture House, featuring educational exhibits, local artists, and environmental films. ([charlotteearthday.com](http://charlotteearthday.com))

The Health and Wholeness focus for April is Caring for our Earth.

4 recycling tips:

1. Paper can usually be recycled. No need to remove staples. Mail envelopes even with windows can be recycled. Juice and milk cartons. Cardboard. Aluminum cans. Plastic jugs and jars.
2. Don't put in recycling- Styrofoam, plastic packaging material, plastic bubble wrap. Glass has to be recycled separately.
3. Recycle food packaging with care. Cardboard takeout boxes must be free of food.
4. Buy food in recyclable containers or loose in vegetable bin.

1 Timothy 4:4 For everything God created is good, and nothing is to be rejected if it is received with thanksgiving.
