

Living Saviour Lutheran Church Craft Fair

December 5, 2026

Rules/Policies

- We request that all vendors bring only handmade or specialty items (honey, jellies and jams). We will accept no mass-produced items. If you have special things that are Fair Trade items or are produced to benefit a charity, we will decide if things are in that category. We have a 2-table maximum and your space will need to be kept to a 12-foot-wide area. There are several wall units and they are available on a first come, first serve basis. Tables will need to be covered. Upon preparing to end the day, please take care of your trash.
- Last year was a great year and we hope to have the same success this year.
- When you arrive, CHECK IN – we will guide you to your assigned space. After setting up your space, please park in the lower level of the parking lot. Please be mindful of your customers and leave them a space to park.
- SET UP TIMES: Friday December 4 from 3-7pm and Saturday morning from 7-8:30am. If you set up on Saturday, please unload quickly and park your vehicle in an appropriate area. Must be ready by 8:45am.
- Vendors may NOT breakdown before 2pm.
- Items displayed must be within your reserved space, and no items should be displayed on the floor outside of your area due to safety concerns. Living Saviour is not liable for any injuries or damages.
- Please no tacking, nailing, or tape on the walls or floors.
- No generators are allowed in the building.
- Wi-Fi is available; ask for the login and password when you check in.
- Since this is a church sponsored event, you will be asked to remove inappropriate items. Each vendor is responsible for his or her sales tax.
- If you choose to be a vendor at our event, we would appreciate you sharing the event with your contacts. We want to make this a prosperous event for everyone.
- Your payment will be returned in case of a last-minute cancellation due to health concerns.
